Juliette's Kommentar:

"I am currently in Kathmandu for hospital check-ups and to apply for visas for our holiday in Thailand and Myanmar in January. Because they are all in different locations, we are dashing about like mad-arsed flies in taxis, and thanks to Modi the fares are astronomical - we shall need to take out a bank loan for the taxi fares at this rate! You have really messed this country up Modi. Why, oh why doesn't any other country step in to tell Modi to stop his silly game, it will do him no good in the popularity stakes in the long run, and when winter sets in thousands, if not millions of people will die in Nepal, especially children. SOMEONE, SOMEWHERE DO SOMETHING TO HELP NEPAL OUT OF THIS MESS!"
