

## Sponsorships (12 children are still waiting)

.. so far, I think, WE have not mentioned how to become a supporter or sponsor of a child. 10 Euros a month can also be summed up to 120 Euros a year, which might be easier for people doing PayPal! However, try to not forget to pay in the next year too! (although WE do remind people,too&#x1f601;) WE will then let U Know which child u are Supporting. If u have any question please write to me!
