

WG: Final report and warmest greetings,,,,

Dear Andrea Berner,

Namaste and warmest Greetings,,,,,

I have this opportunity to reach out to you and THANK YOU for bringing yet another academic year 2017/2018 to a logical and successful end. Thank you for holding together to make our school what it is today. Together we will contribute to achieve greater heights in the times to come. I have great pleasure to send you the very successful final report card of Maya Tamang. She has successfully passed the final exam of grade Three and will be learning class four from coming new session 2018/2019. I am very happy and proud with the progress and an interest putting in and taking the golden opportunity given by you. On behalf of the family and of my own, we would like to extend our heartiest appreciation and grateful thanks to your love, continuous support and inspiration. We look forward to your same kind blessings and love throughout the following years as well.

These days we are on session ending's holiday. Our new session will start from 18th April 2018, Wednesday.

We are here at this rented school premises since we start our school. It has been more than two decades now ! This is rented school premises and we face difficulties in facilitating our children with every facilities we wish to provide and also regular high rent. We need bigger rooms, larger play ground and more over safer buildings. We are very happy to share you that sooner we are managing our own school premises where children receives more quality education in a nurturing and at safer place. From the school session 2019/2020 we will be shifting to our own school building where we will have safe building and better facilities for our kids. More over we can accommodate more kids from remote Himalayan region of Nepal. We will be staying here at current school premises for one more year only and then shifting to our own school premises. We are so excited and happy with these wonderful things happening for our children. It's all possible by kind support and tireless effort from our friends in Aspen, CO. USA. We shall write you more on the progress of our dream project in the days to come.

Once again our appreciation, grateful thanks and regards for all your love and support for us. Your enormous love and continuous support gives us strength, will power and energy to move forward to benefit more kids in future. It gives us hope and regulate to do much better and dream big. We love you and your warm heart always cherish in our heart and soul. THANK YOU SO MUCH.....

With our love, prayers for your good health and well being.
