Dear Andrea Berner,

Namaste,,,

Hope you are fine and doing well. We all along with Maya Tamang are in good health and having good days at school. The regular classes and extra activities are also going well as our school calendar 2019/2020. The days are much hotter and longer as well. She is doing good in class Five and enjoying her days....

Thanks for all your love and support. With warmest greetings and love... SONAM Marshyangdi School Kathmandu NEPAL
