Dear Andrea Berner,,  
Namaste and warmest greetings,,,

Hope you are fine and doing well there. We all along with Maya Tamang are very fine and doing good at school. We have just finished the first term exam and here I have attached the result of Maya of class five. It's good result and satisfactory out come of her work. It's satisfactory report card.... congrats... She is doing very well and giving her best with every effort. I am very sure that she will keep doing good all the time.

We are very happy with her good work and interest towards studies and enthusiasm towards learning more. She is a frank and smart girl with good nature of helping others and an excellent learner. Thank you so much for giving such a wonderful opportunity to get good education for this very deserving girl.

The school days are going very well with different extra activities and programs on time to time. We are having lots of rain and it's always wet days.

With our warmest greetings and love .  
Sincerely your's..
