Dear Andrea Berner,,

NAMASTE and TASHI DELEK, Hope you are doing well and in good health. We have just finished our final exam and now on session ending's holiday. The session break is for three weeks.

Our new session (2017/2018) will start from Monday, 17th April, 2017. Thank you so much for bringing yet another academic year 2016/2017 to a logical and successful end. Thank you for holding together all that is good, righteous and for making our school what is today. Together we will contribute to achieve greater Heights in the times to come. All the kids have gone home to spent the break with their family and loved ones. I hope they must be having good time together in their mountain village.

Attached here with the final report card of Maya Tamang of class two for this session (2016/2017). She will be studying in class three from coming new session 2017/2018. The result is very satisfying and good improvement. She has put in her heart and hard work into doing the best in all aspects of school life. I am confident in my belief that She will do the best and achieve her dream. Nothing would make us happier right now than to give you a BIG HUG and convey our heartiest appreciation to you. It is my honour to be able to play a small part in Her journey to success and look forward to continuing to do so. I on behalf of the children's family and on my own would like to extend our "heartiest grateful thanks and appreciation " for your continuing love and inspiration, your on-time transfer of the fund and the opportunity given to this very deserving child for better and promising tomorrow. At the same time we are praying to receive same kind of love and support from you in the times to come. Once again THANK YOU SO MUCH for bringing smiles, hope and good future to this deserving child. With all our prayers for your good health, success and happiness.
